HER THEORY A GOOD ONE "Editor Standard Woman's Page: one of vast importance. Unless they have a pet theory that if by careful place a conscience in their work they buying you are able to get necessi-ties for less than the usual price and to so, thinking, "I will have that exsomething else," you are realnothing ahead in the end, and so have made it a rule in our home hat whenever we pay less than we for anything we put the xact differences, to a cent, in the

"Whenever my husband worked exirs time, that went in also, as it was taste, add three well beaten eggs, one omething we had not counted on, and half cup of sweet milk, one teaspoon se should have gotten along had we of flavoring, and two cups of flour, sot had it. We are paying for our in which have been sifted two ten-some, and had never been able to spoons of baking powder. It never anything extra until we tried fails. 13 for shoes, and by taking advantage of a sale, get them for \$1.98 (as you often can), I owe the bank \$1.02. allow \$5 for a hat, but by getting the untrimmed shape and selecting own trimming I get a very neat stylish little hat for \$3.65. Imediately \$1.35 goes into our little

"All our odd pennies go in, too, soda, sifted with one and one-half and we were very agreeably surprised cups of flour. Last of all I beat into at the end of a year to find over tem of saving. Try this system and apply it to every purchase. It works beautifully, and besides swelling your bank account it gives a greater incentive to careful buying."
"F. W. P."

STYLE MAKERS

(Copyright 1913 by Lillian Russell.) I have often wondered whether, in few years, there will not be an 'awakening conscience" in the world of fashion or style creation.

Certain it is that those intelligent men and women who originate forms and style of dress realize that there s a serious responsibility resting up-

For it is just as certain that they do not recognize the vital nature of this responsibility, or, recognizing it, smother the dictates of conscience for a reward of money and

There are designers of corsets, for instance, who have murdered people. This is a strong statement, but it is

They have drawn upon the vanity of the world, upon the weak of the feminine sex; they have forced Godmade bodies into man-made formsand thus have they become destroy-

A price must be paid for everything. There must be an effect for every

The woman who transgresses laws of nature must suffer. She pays the price of vanity with her health. She goes further—she draws the strength and beauty from an unborn race to satisfy a foolish desire to "be

Corset makers confer and say: "The hips shall be narrow." And they fashion their steel "body molds" accordingly. It makes no difference and rub a good cold cream into them to them that nature's idea of form is

Dressmakers confer and decide that elbows smooth it will not be much there shall be this and that effect for trouble keeping them so. It takes littacertain season. Their decision may the time to cleanse them and rub the be interpreted to mean, "Women must contract pneumonia and die this

One might argue that it is not nec essary to follow style. It might be said that the responsibility rests with the individual. Some of it does, but the creators of dress are most re-

BEAUTIFUL IN 5 MINUTES

FREE SAMPLE LADIES!

THINK OF IT **A Beautiful Complexion** IN 5 MINUTES

If you are fortunate enough to have this adv. catch your eye, you'll be one of the happiest women in the world-for I will abcolotely gransities to give a beautiful completion in 6 minutes WITHOUT COST TO YOU. Is all the history of the world's tolietic there

for I will absolutely guarantee to give a beautiful completion in 6 minutes will include the minutes will include the minutes will include the MITHOUT CONT TO YOU. In all the history of the world's tolitest there has NEVER at any time, been such an offer as thir—and the best of all is this—YOU CAN TRY AND BE CONVINCED BEFORE you spend a single penny. Thousands of the finest Parisian society women are using this seasoniles.

Here's the story: I spent the last two years in Europe, and during my travels I discovered as old Parisian physician making Face Handilles. I tried his preparation and was completely amazed at the results—I was delighted—I was thunderstruck—I could hardly believe my evin eye. From him I purchased the formula and I completely control it throughout America.

Two meeths ago I gave out a few samples to women friends of mine, and since that time I has suffer the Hierarchy as any evin eye with respect to the previous for this Parisian Face Beam-like, and will make his con women happy links morth. You can be among them if you desire.

Mexican Federals and Rebels Engage in a Two - Day's Battle Near Chihuahua -Aviator's Plan Fails-Ojeda's Troops Defeat **Insurgent Forces**

El Paso, June 3 .- Four hundred are reported killed in a battle Saturday between Chibauhus and Santa Rosalia, Chihuahua state. Both rebels and federals withdrew after two days' fighting, with the losses divided. The federals were commanded by Colonel Romero, who is attempting to open the Mexican Central rallway south of the state capital. He was reinforced during the fight by General Antonio Rojas The insurgents were composed of the combined forces of Manuel of the combined forces of Manuel Chao, Rosalio Hernandez and Fran-

Aviator Has Failed.

Nogales, Ariz, June 3.—General Fedro Ojeda's federals yesterday shelled the constitutionalist camp at Maytorens and drove the state troops back to their base at Ortiz. The in surgents are said to be short of water, which must be hauled from stations to the north along the Southern Pacific railway, and also lack of am-

Didler Masson, the aviator, so far has failed to make any showing with the aeroplane, from which it planned to drop shells on the Mexi-can gunboats Morelos and Guerrero, lying in Guaymas harbor. He failed to make a single successful flight against the advancing federal column, nor has General Obregon been able to force the land fighting Ojeda is pursuing the same tactics of advance and retreat that he used so successfully in defending Naco.

Denies His Recall.

Dallas, Tex., June 3 .- General Antonio Rabago, recently reported as having been removed by President Huerta as military governor of the state of Chihuahua and recalled to Mexico City, denied here today that he had been recalled and said he was on his way to the capital to confer with other federal commanders about the campaign against Carranza in the north and Zapata in the south. The constitutionalists, he said, are

short of funds and soon must cease operations tfor that reason. Part of the fifty-million-dollar loan negotiated by the Mexican government would be used, he said, to pay indemnities and the remainder turned over to the war department.

General Rabago declared talk of United States intervention had done more to keep the revolution alive than any other cause

State Troops Moving
Brownsville, Tex., June 3.—Eighteen hundred constitutionalists moved today within four miles of Matamoras. Mexico, awaiting a reply of General Blanco's demand for the surrender of the town before beginning an attack Major Estaban Ramos has indicated that he will not surrender without a struggle. The constitutionalists, who are reported to have five machine guns, also are reported to be prepar-

smarting and aching of the feet.
